

## Step 1

- Open the SmartThings App on your mobile device.

## Step 2

- Tap on the 'Right Top Menu Button'.

### Step 3

- In the menu tap on 'Add Thing'.

## Step 4

- Tap on 'Connect Now'.
- The SmartThings Hub's LED will now blink green indicating that it is in pairing mode.

## Step 5

- Slide out the battery drawer of the First Alert Smoke Detector.
- And inset 2 AA batteries into the First Alert Smoke Detector.

## Step 6

- Press and hold the action button on the First Alert Smoke Detector while you close the battery drawer.
- Once the battery drawer is closed, you may release the action button.

## Step 7

- The SmartThings App will indicate that it has found the First Alert Smoke Detector and that the pairing process has been successful.
- Tap on 'Z-Wave Smoke Alarm'.
- Tap on 'Done'.

## Step 8

- You have hereby successfully paired the First Alert Smoke Detector with the Samsung SmartThings Hub.
