

Step 1

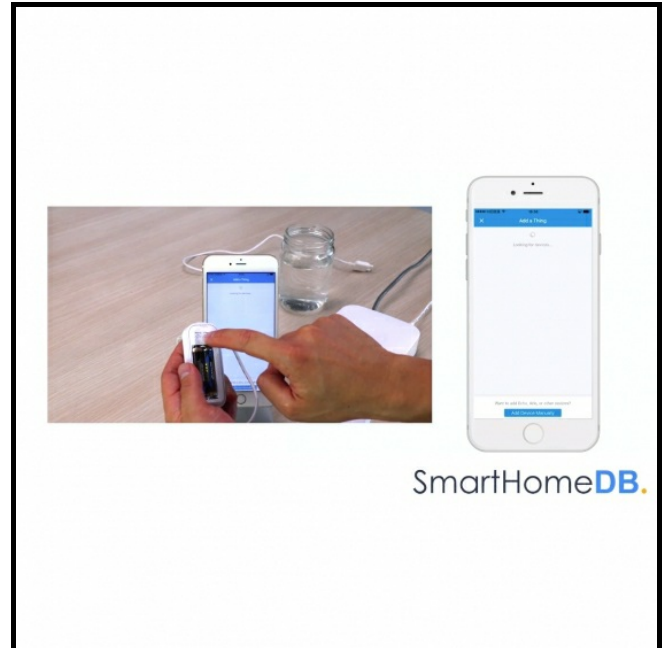

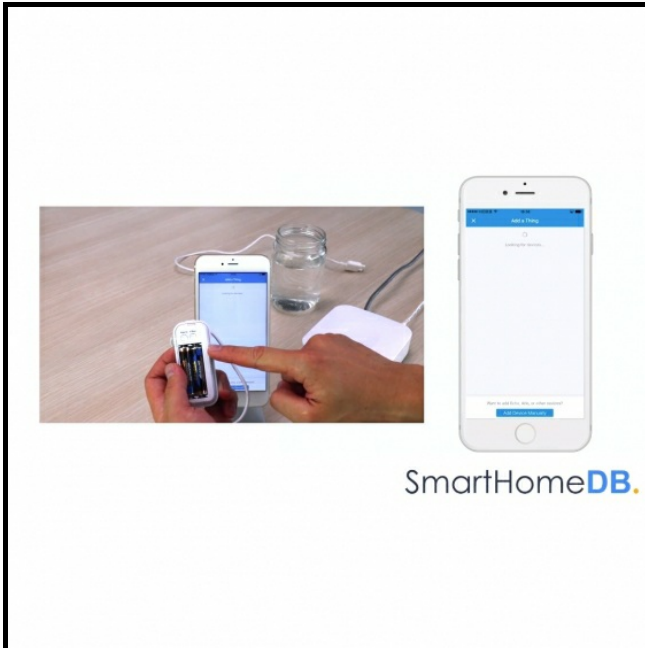

- Open the SmartThings App on your mobile device.

Step 2

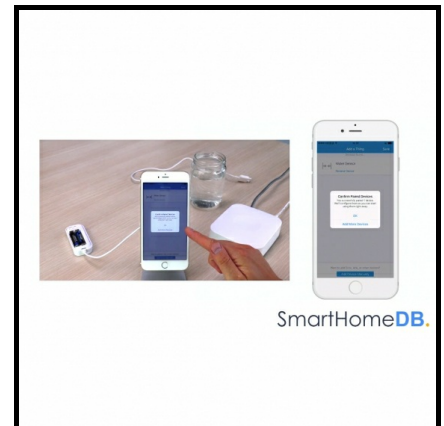

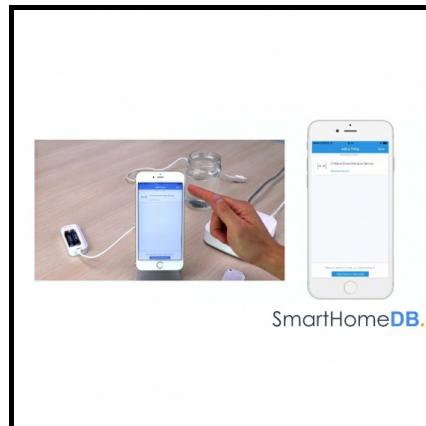

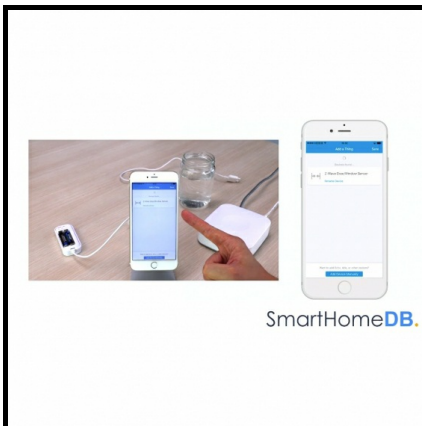

- Tap on 'My Home'.
- Tap on 'Add a Thing'.
- The SmartThings Hub's LED will now blink green indicating that it is in pairing mode.

Step 3

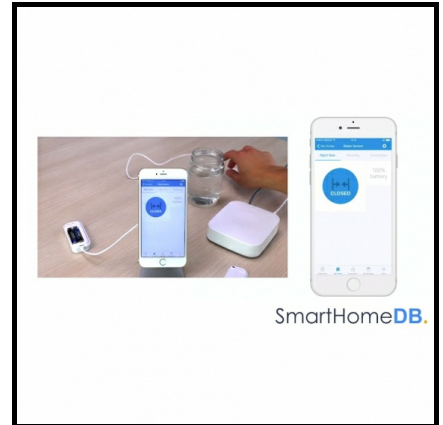

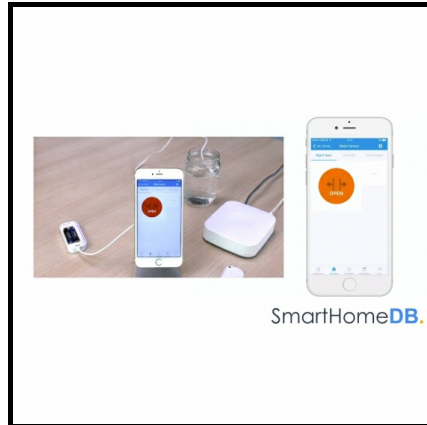

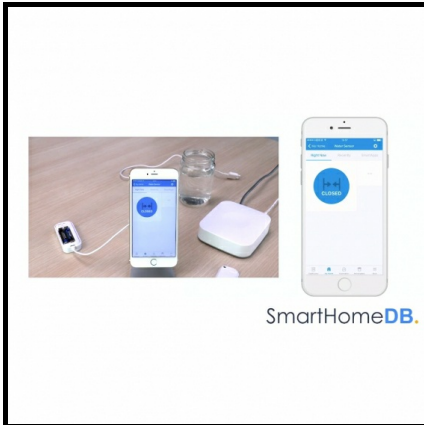

- Proceed by pressing on the Z-Wave action button found at the back of the Aeotec Water Sensor.

Step 4

- The SmartThings App will indicate that it has found the Aeotec Water Sensor 'Z-Wave Door/Window Sensor' and that the pairing process has been successful.
- Tap on 'Save'.
- And tap on 'OK'.

Step 5

- You have hereby successfully paired the Aeotec Water Sensor with the Samsung SmartThings Hub.
